ABOUT COMPANY

Al Abeer International Company Ltd is a leading manpower supply company serving the Oil & Gas and Construction industries across the Kingdom of Saudi Arabia and the Gulf region. We specialize in providing highly skilled, semi-skilled, and unskilled workforce to support the operational and project needs of our clients in complex industrial environments.

With years of proven experience, Al Abeer International Company Ltd has built a strong reputation for reliability, professionalism, and quality service delivery. Our manpower solutions are designed to meet the unique challenges of the oil refineries, gas plants, petrochemical industries, and large-scale construction projects, ensuring that every workforce we provide contributes effectively to project success and safety compliance.

We pride ourselves on maintaining the highest standards of safety, efficiency, and client satisfaction. Our recruitment and deployment process ensures that every candidate is carefully screened, trained, and qualified according to international standards and client requirements.

At Al Abeer International Company Ltd, our mission is to be a trusted partner in progress — delivering manpower solutions that drive productivity, enhance performance, and support the sustainable growth of the Oil & Gas and Construction sectors.
